THE SEASON YOU JUST LIVED

Across Andhra Pradesh, seats are going empty.

~47%

of private-college seats vacant at
season end (AP)

64%

of MTech seats vacant nationally

Meanwhile: consultants quote ₹1–10 lakhs for accreditation work you already have the data for, and parents ask "placements?" in the very first meeting.

MEET SEATSETU

One login. Three **problems solved.**

Admissions

- Your AI counselor answers every parent in 60 seconds — Telugu or English, 24×7
- Follow-ups go out automatically. None forgotten.
- You see exactly which ad source gets joins

Accreditation

- Upload your existing Excel marks → CO-PO reports out
- AQAR evidence vault + gap analysis with action text
- Question papers, Bloom-mapped, one click

Careers

- Students practice interviews with an AI — in Telugu-English
- Readiness scores for your placement cell
- One click → NAAC training evidence

No new software to learn. If your staff can use WhatsApp, they can run SeatSetu.

YOUR PARENTS' NEW FIRST EXPERIENCE

Answered in 60 seconds. At 11pm. In Telugu.

And when a parent asks for a "100% job guarantee", SeatSetu answers honestly — protecting your college's reputation and keeping you clear of Consumer Protection Act trouble that dishonest promises invite.

If the AI doesn't know, it politely takes the parent's number. It never invents fees, jobs or salaries.

MODULE 1 · ADMISSIONS ON AUTOPILOT

Every enquiry answered. Every follow-up **sent**.

- ✓ **60-second replies** — from Meta ads, hoarding QRs, missed calls, website chat, walk-ins
- ✓ **Automatic bilingual follow-ups** — day 2, day 7, day 12, until the parent visits
- ✓ **Your counselor's to-do list** — hot leads and complaints arrive with the full chat story
- ✓ **Source truth:** see which ad actually produces joined students — stop wasting ad money

<60s

response time — telecallers take hours

2 joins

cover the entire season's fee

Your Excel in. Accreditation out.

- ✓ **Works with your existing marks sheets** — CSV or Excel, no retyping
- ✓ **CO-PO attainment computed** — every number traceable to the sheet
- ✓ **Gap analysis with drafted actions** — "add tutorials + revision test", ready to file
- ✓ **Evidence vault + countdown** — 18-item checklist, Dec 31 tracked on your dashboard

One upload →

C01 | level 1.9 | avg 59% | ⚠ below target

C02 | level 2.3 | avg 68% | ✓

P01 | 2.24 → final 2.26 (80/20 blend)

GAP → "add tutorials + revision test" drafted

Replaces ₹1–10 lakh consultant work — with math your IQAC can verify.

The answer to the parent's first question.

AI mock interviews

- Students answer in Telugu or English
- 2 HR + 3 technical + 1 scenario per round
- Instant scoring + coaching tips

Placement cell reports

- Per-student readiness scores
- Weak answers flagged with fixes
- Progress tracked across the season

NAAC evidence

- Dated training-record export, one click
- Files directly under criterion 5.1.2

The flywheel: better placements → your #1 marketing claim → the AI counselor quotes it to every parent → easier admissions.

SAFETY — BUILT IN, NOT BOLTED ON

Your college's reputation, protected by design.

Speaks only your approved facts

- Fees, hostels, buses, placements — from your signed-off Knowledge Pack
- Nothing else. Ever.

Never makes illegal promises

- No invented fees, jobs, salaries or scholarships
- Keeps you clear of Consumer Protection Act exposure

Fully accountable

- Parent consent ledger (DPDP compliant)
- Complete audit log + emergency kill switch you control

The AI takes a phone number when unsure — it does not guess.

GETTING STARTED

Live in 7 days. We do the work.

DAY 1–2 · We sit with you (45–90 min): we build your College Knowledge Pack — fees, hostels, courses, placements. You talk, we type.

DAY 3 · You test it like a suspicious parent: try to make it promise something wrong. It won't. You approve.

DAY 4 · You go live: website widget + WhatsApp + QR codes on your hoardings and banners.

EVERY DAY AFTER: your counselor checks one to-do list (5 minutes). We support you in Telugu, all year.

THE INVESTMENT

Less than one hoarding. Working all year.

₹49,000

Admissions — one season license

₹39,000

Accreditation — full year

₹39,000

Careers — full year

₹99,000

Complete bundle — intro price (first 5 colleges)

Compare

- One newspaper ad: ₹30–60k, one day, no follow-up
- NAAC consultant: ₹1–10L per cycle
- SeatSetu bundle: every enquiry answered, AQAR filed, placement evidence built — all year

Our promise

- First season guarantee: if the AI doesn't out-work your current process, don't renew
- No lock-in contracts, your data is yours
